

AGE AT WHICH AUSTRALIAN CENTURIONS QUALIFIED

Last Updated: Tim Erickson, 15 October 2024

Have you ever wondered if there is a favourite age for qualifying as an Australian Centurion? Well, have a glance at this table and make up your own mind. It certainly shows to my mind that it is a challenge that appeals to the older rather than the younger athlete. Overall, ages range from 16 (Bill Dyer C15) to 72 (Deryck Skinner 51).

Age	Cent	Name	Year	Time
