Last Updated: Tim Erickson, Thursday 15 October 2024

This list contains the 100 Mile Run and 100 Mile Walk PBs for those Australian based Australian Centurions who have achieved this feat.

We have 13 Australian based centurion men who have both walked and run the 100 mile distance inside 24 hours. These members are (in order of achieving this feat) **Claude Martin, Jim Turnbull, George Audley, Stan Miskin, Yiannis Kouros, Geoff Hain, David Billett, Michael Harvey, Bob Lee, Ian Valentine, Justin Scholz, Barry Loveday and Anyce Melham.** Claude and Michael were walkers by sport while the others were all ultra-distance runners by trade.

We have 6 Australian based centurion women who have also achieved the ultimate double - having both run and walked 100 miles in 24 hours. These are **Carol Baird, Lyn Lewis, Michelle Thompson, Sharon Scholz, Sabina Hamaty and Allicia Heron**
